## Detailed Analysis - Top 5 Picks

### #1: AAPL - Confidence 92.5%

|                   |           |
|-------------------|-----------|
| Pre-Market Change | +2.35%    |
| Momentum Score    | 87.30     |
| Volume            | 5,234,567 |

**Analysis:**

Strong pre-market momentum with increasing volume. Technical indicators show bullish divergence. Recent earnings beat expectations.

### #2: TSLA - Confidence 88.2%

|                   |           |
|-------------------|-----------|
| Pre-Market Change | -1.45%    |
| Momentum Score    | 75.80     |
| Volume            | 3,456,789 |

**Analysis:**

High volatility stock with significant pre-market movement. Volume spike indicates institutional interest.

### #3: NVDA - Confidence 85.7%

|                   |           |
|-------------------|-----------|
| Pre-Market Change | +3.12%    |
| Momentum Score    | 92.10     |
| Volume            | 4,567,890 |

**Analysis:**

AI sector leader showing strong momentum. Pre-market price action suggests continuation of uptrend.

### #4: AMD - Confidence 82.4%

|                   |           |
|-------------------|-----------|
| Pre-Market Change | +1.88%    |
| Momentum Score    | 68.50     |
| Volume            | 2,345,678 |

**Analysis:**

Semiconductor sector strength. Positive correlation with NVDA movement.

### #5: MSFT - Confidence 79.9%

|                          |           |
|--------------------------|-----------|
| <b>Pre-Market Change</b> | +0.95%    |
| <b>Momentum Score</b>    | 71.20     |
| <b>Volume</b>            | 1,987,654 |

**Analysis:**

Large cap tech showing steady pre-market gains. Cloud segment growth driving sentiment.
